

Dear Commissioners of the FCC,

Please retain the remaining rules governing media ownership. Further concentration of ownership will have serious consequences for our culture and democracy, by stifling dissenting voices and further dumbing down the information available to consumers.

Furthermore, as an independent writer and creator of material for various media outlets, I am concerned that the reduction in competition that deregulating our mass media would cause will deprive me of the means by which I earn my living.

Yours truly,

Sarah Browning
